DIVISION OF  
OIL GAS & MINING

RE: Pagano Clay Site

Mr. Braxton:

The Pagano Estate and East Carbon Constructors (ECC) would like to select option no. 3 of your letter dated February 17, 1993 and have the operator's name changed on the Reclamation Contract, back to the Pagano Estate. ECC will still put up the surety. Mr. Marston will be meeting with Mr. Shephard of DOGM at 10:00 a.m. on the 18th of February, 1993 to submit a Reclamation Plan and execute the necessary changes to the Reclamation Contract.

We appreciate the Division's effort in resolving this matter and apologize that collectively we were not as prompt as we should have been. We would like you and the Division to know that this lack of promptness was not in disrespect to the Division but simply because of other pressing business matters. Looking forward to resolving this matter as soon as possible.

Sincerely,

PAGANO ESTATE
